If any of the Shriners are interested in playing, please ask them to let us know by sending an e-mail to us at jbk328@verizon.net and we will gladly add them to the Players Distribution List. We send out an invitation with all the specific details to the entire distribution list a week prior to each outing. If they wish to participate, then they respond to that invitation. If not, then there is no need for a response.

Thank you.
